

KILLED IN A MILL

Three Toolers' Souls Launched to Eternity

WITHOUT A SIGN OF WARNING

John Thompson Fatally Injured and Frank Davis and William Small Hurt by a Bursting Boiler.

GAYLORD, Mich., July 28.—The shingle mill owned and run by Hartnell & Smith, Juniata, Tuscola county, and situated on Osgo lake, near the track, three miles south of Gaylord, blew up this morning at 6:30 o'clock. Of the ten men operating the mill, four are dead and dying and two injured.

Mr. Smith, one of the proprietors, was at the camp across the lake and Hartnell, the other owner, was on a raft near the mill. The cause of the boiler's bursting is not known. It is said to have been full of water. The steam of the governor gave out and Foreman Enos Berry, after ordering no more fuel to be used and the doors to be closed, etc., went to inform Hartnell that an accident had happened and that the mill would have to be shut down for the day. He had gone about ten rods when the explosion occurred. The killed are: IRVING HUTCHINS, married, of Juniata.

LEANDER SKINNER, married, of Five Lakes, Lapeer county.

ANDREW SHWEDA, a Poland, single, of Gaylord.

JOHN THOMPSON, whose residence is near Lapeer, is fatally injured about the head and cannot live.

Frank Davis of Juniata was badly cut over the eye, but will recover. William Small of Midland was injured in the back and internally. He will probably recover.

Lewis Haight of Juniata and William Thomas of Gaylord were inside the mill, but escaped without injury, although brick, fragments of the boiler and timber flew thick around them. Haight was blown about fifteen feet onto a pile of sawdust just outside the mill. Thomas was knocked down where he stood at the side of Thompson, who was fatally injured.

Portions of the boiler were blown into the woods about thirty rods from the mill and the wreck of the mill and boiler is scattered in pieces over the mill yard. Dr. Fox and Dr. Eldott of Gaylord were immediately called and promptly attended the injured.

Stock Slaughtered.

HOLLY, Mich., July 28.—A disastrous collision took place on the D. G. H. & C. railroad about two miles and a half from this place early this morning. East-bound freight No. 238 ran into west-bound freight No. 234. It was at a sharp curve and both trains were going at full speed and the loss is a heavy one.

The trainmen jumped and brakeman Lachan of Holly was the only one seriously injured. Both engines were completely demolished and thirty cars piled up in the ditch. On the east-bound train there were five cars of stock containing, it is estimated, 150 head of cattle, sheep and hogs. All were killed, and the vicinity of the wreck presents the appearance of a slaughter house.

Boy's Miraculous Escape.

ELMHURST, Mich., July 28.—Tuesday afternoon a wagon weighing 1,600 pounds, containing a ton of hay, passed over the 5-year-old son of T. J. Hawley of this place. The child fell on his back directly in front of a wheel, which passed over his body just below the ribs. Contrary to all expectation the child did not seem to be materially injured and the next day (yesterday) was up playing dominoes and his system seems to be in good working order.

Miss Mary Gates, aged 17 years, who died at Simons Tuesday, was buried here today.

The raspberry crop is unusually abundant.

Children Orphaned by Lightning.

CENTREVILLE, Mich., July 28.—Rufus Kriebel, living two miles west of town, was killed by lightning yesterday forenoon while standing under a tree during the storm. He not coming home at night, the family became alarmed. Search was made and he was found at 3 o'clock this morning. He leaves a wife and three small children.

Came to Bury Him.

MEMPHIS, Mich., July 28.—Charles Sharon was instantly killed at the Island mill, being struck by a board from an edger. He was a middle-aged man with family, consisting of his wife and three children. He resided at Sturgeon Bay. His wife came here to visit him yesterday morning.

Any of the earlier signs of Consumption can be cured. It's a matter of evidence—strong enough and complete enough to warrant the makers of Dr. Foster's Golden Medical Discovery in promising this:

If it's taken in time and given a fair trial, they'll refund the money in any case where their medicine fails to benefit or cure.

But it's a medicine that doesn't fail; it goes to the root of the trouble. Consumption is developed through the blood, and must be cured in the same way. It's a scientific affliction of the lungs—a blood-taint. And the most restorative for Scrophulous in all the forms, the most potent blood-purifier, strength-giver, and flesh-builder known to medical science, is the "Golden Medical Discovery." It cures Scrophulous, it cures Consumption, it cures Dr. Foster's Throat and Lung Affections, Asthma, Weak Lungs, Bronchitis, Laryngitis, Coughs, and kindred ailments—through the blood.

And if there's no help, there's no pay.

Peninsular Paragraphs.

Quarters have been secured for the G. A. R. encampment by the following Michigan points in the Wilson school building, Central street, Meridian Hill, Washington: H. P. Park post of Sarnac, M. W. Dresser post of Lyons, D. S. Root post of Bedding, John Magrath post of Portland, Henry Rose post of Leoben, W. H. Herden post of Lonsa, A. G. Russell post of Hubbardston, James L. Hubbell post of Palo and Halfway post of Penamo, 150 men in all, and A. B. Watson post of Grand Rapids, 25 men.

A day in Jackson—F. L. Lovell, the proprietor of the Hibbard, caused Daniel A. Ferguson, lawyer to be arrested for calling him a thief and the gas company raised its prices. Johnny Nover, the lad who stocked his grip with stolen cigars and cigarettes and started west, returned and gave himself up. An electrical storm knocked things galleywest. Isaac Brandeberry had a finger ground off in a pulley. Prof. Patengill cooled off the county teachers by talking of yeasers.

Thomas Hutton is one of the best writers in Homer. He got it into his head that he was a second "Jim the Penman," so he forged a check for \$55 on the First State bank and passed it on O. L. Linn & Co. He had only bought a half dozen ice cream sodas for his best girl when the sheriff took him to the jail to bond.

Attorney General Ellis succeeded in getting himself elected a delegate to the Iowa people's party county convention. He's just shallow and conceited enough to cherish the delusive hope that the people's party folks ain't onto him. But they are. Ellis isn't the only fellow, though, who's trying to work the labor voters.

A bad hired man at Lambertville said unprintable words in the presence of a little boy who was just beginning to swear fluently. The scandalized mother of the lad took a broom stick to the bad hired man and almost broke his back, while her innocent little boy stood behind a haystack and chuckled.

A Marquette Hungarian, whose name is too long for publication in this column, is roaming all over northern Michigan to search for his wife and the fellow who stole her. As a wife she is just ordinary, he says, but as a cook she's out of sight. His stomach more than heart spurs him on to effect her capture.

Diarrhea, neuralgia, rheumatism and consumption caused the most sickness in Michigan during the week ended July 23. Diphtheria was reported from twenty-five places, scarlet fever from seventeen, and measles from nine places.

Mrs. Streval, a widow living near Yale lost a valuable cow in a peculiar manner. The animal was trying to scratch a head with one of its forelegs when the chain caught in the corner of the leg and caused the animal's death.
